

## **Lanarkshire Carers**

Lanarkshire Carers is a well-established carer led organisation built on a vision to work with and for carers to develop and deliver services that make a positive difference to their lives. A value based organisation, our mission is to ensure that carers in Lanarkshire are identified, well informed, involved, supported and empowered. We deliver information, advice and direct support services that enable unpaid carers to continue to care, whilst maintaining their own health and wellbeing.

We are recruiting for a number of Carer Support Worker posts (full and part time will be considered) to join our team. Lanarkshire Carers is an organisation where you will be supported, valued and well rewarded. Post holders will be based between our centres in Hamilton and Airdrie, and localities throughout Lanarkshire. Working from home/hybrid working may also be required.

All staff work on an outreach basis in community, health and social care venues across Lanarkshire.

Please visit our website [www.lanarkshirecarers.org.uk](http://www.lanarkshirecarers.org.uk) for more information about Lanarkshire Carers where you will also find our annual report for 2020/21.
