

The Third Sector Awards will recognise the very best work undertaken by South Lanarkshire's charities, community groups and social enterprises.

VASLan are now looking for nominations for South Lanarkshire's Third Sector Awards. With eight categories, every organisation in South Lanarkshire should be able to find a field that fits their work.

These awards will recognise the wide, varied and vital work carried out by the South Lanarkshire third sector on a daily basis. A team of independent judges will assess the nominations and shortlisted organisations will be invited to attend a glittering awards ceremony later this year where the lucky winners will be announced!

Anyone can nominate an organisation (including the organisation themselves) and, if required, VASLan will offer support in writing nominations. Please note that previous winners in each category will not be eligible for nomination this time around. These organisations will instead be invited to participate as part of the judging panel for this year.

To nominate an organisation, just complete this nomination form and return it to our office or office@vaslan.org.uk. Note: if you want to nominate the same organisation for more than one category then a separate form will need to be completed.

Nominations are open until 30th June 2018 and will be assessed by a judging panel of representatives from a cross-section of agencies. The top three organisations in each category will be invited to attend the awards ceremony in September, where winners will be announced
